THE SENIOR CLASS
OF
1958
PRESENTS

"THE PANTHER"

The Panther has been prepared by the class of '58 to preserve the many memories of days gone by. We have tried to record the activities, the schoolroom scenes, the teachers, and the students. And in years to come you will be able to look back on several thrilling experiences.

DEDICATION

We Honor

MR. ROBERT PRUDON

In honor of his years of faithful service to Stockbridge Community Schools as a teacher, coach, advisor, and a true friend of the students, the staff proudly dedicates the 1958 PANTHER to Mr. Robert Prudon.

May it be a worthy memorial for the many things which he has done for the school.

SCHOOL PERSONNEL

OUR SUPERINTENDENT

MR. JESSIE BATCHELOR

Dear Seniors,

The Annual Staff and its sponsor have spent much time in the preparation of the 1958 PANTHER. This book shows what a wonderful job they have done. The members of the student body should be proud of their annual and along with the Faculty and Administration say "well done" to all those responsible.

Seniors, it is our hope that the years you have spent at Stockbridge High have been profitable in many ways and as a result you will be able to face the future with courage and determination. The preparation you have made in high school should stand you in good stead to meet the challenges of your future endeavors.

Best Wishes,

JESSE BATCHELOR
Superintendent of Schools

Secretary Mrs. Dancer—Mr. Batchelor

Mr. Batchelor—Secretary Mrs. Smith

More problems

Secretary Mrs. Armstrong—Mr. Howlett

Dear Seniors,

Just as a farm is judged by its productivity . . . a factory by its final product, we, as a school, are also judged by "our products," our boys and girls.

Our hope and our belief is that the foundation for life that you have built for yourself while here will meet the tests of time. Our answer to "Sputnik" is our young people who have the vision, the training, the desire, and the initiative to put their best efforts forward to make this a better country and world in which to live.

Best Wishes and Future Success,

DICK HOWLETT
Principal

P.T.A. Officers

The Parent-Teacher Association has been working in the Stockbridge community to obtain their goals of:

Promoting the welfare of children and youth in the home, school, church, and community.

Bringing into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

Raising the standards of the home life.

Securing adequate laws for the care and protection of children and youth.

Developing between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

The P.T.A. has contributed $150 to the Hugh Milner Loan Fund which will aid some student who plans to attend college. The Minstrel Show and the Athletic Banquet of 1958 were sponsored by the P.T.A. They also send deserving students from the Junior class to Boys' and Girls' State. This year the students going are Connie Sober with her alternate Lorraine Mills, and John Mason with his alternate Dave Glynn.

Refreshments coming up!

The Buses . . .

OUR BUS DRIVERS

We wait for them and sometimes they wait for us! Those bus drivers have certainly developed a skill in patience. They are usually reliable and whatever the weather, that yellow or red-white-blue bus appears. We appreciate the cheery "Good morning" on blue Mondays, that wake-up smile, and that customary "See you tomorrow" gives a perfect ending to an often not-so-perfect day.

We salute you, bus drivers, and say "Thanks" for a job well done.

We never think about our custodians unless we need them! If the lights go out, if an ink bottle is broken, if it feels cold in the rooms, if we need to get into the concession stand, then we suddenly realize their hidden potential. They are silent men, working to improve our school. Without them, where would we be?

"Thanks, Custodians."

OUR CUSTODIANS

Rueben Moeckel, Robert Titus, Loie Dean Craft, Clyde Faber.

Faculty

MILDRED AMBROSE is from Emmett, Michigan. Her pet peeve is getting up in the morning. She likes people in general and dislikes pessimists. Her hobbies are reading, sewing, swimming, and hunting. Miss Ambrose holds an A.B. degree from Alma College and has done graduate study from the University of Wyoming.

LUCILLE MARGARET BEST teaches literature, journalism, and advanced English. She enjoys the daily contacts with students and faculty. In her spare time, she likes to crochet, sew, and listen to music. Her pet peeve is people who dodge responsibility. She likes to work on publications, but dislikes grading papers. Mrs. Best holds an A.B. degree from Adrian College and has done work at the University of Michigan and Sienna Heights College.

ANN JANE BOGART becomes exceedingly peeved when she hears the statement, "No pencil, no paper, no book." She likes kindness and dislikes meanness. Mrs. Bogart holds an A.B. degree from Albion College and has done graduate work from Wayne University and the University of Michigan.

WILLIAM D. VALENTINE who hails from sunny Florida teaches speech and English. He has no likes, no dislikes, and his pet peeve is people who are not willing to try. Mr. Valentine holds an A.B. degree from Asbury College in Wilmore, Kentucky.

Hey, it's not the Gettysburg Address . . . it's Pat's "Democracy" speech.

NELLA M. O'BRIEN holds a Bachelor of Music degree from Michigan State University and has done graduate work at the college of St. Scholastica in Duluth, Minnesota. Her hobbies are sewing and reading and her pet peeve is gum chewing. She likes reading but dislikes laziness. Mrs. O'Brien who came to us from Crystal Falls, Michigan, teaches English.

RACHEL MERNA CASSIDY holds a B.S. degree from Eastern Michigan College. She teaches junior high reading and English. Her hobbies are dancing, entertaining, and reading, and her pet peeve is students who talk back to any grown person. She likes her family and dislikes being late for anything.

JANICE LOUISE ROSS likes people who make the most of themselves and dislikes people who do not try. She teaches French and junior high reading and spelling. Her hobby is raising Irish Setters and her pet peeve is filling questionaires. Miss Ross holds an A.B. degree from Michigan State University.

LANGUAGE AND ARTS

"Veni, Vidi!" cry Latin students after two years of studying this classic subject . . . only a privileged few can cry "Vici." This year French was added to the curriculum which was readily received by the student body. In English, various courses are offered from Shakespeare to grammar as students "ponder weak and weary" over iambic pentameter and rules of grammar. Speech students give Mark Anthony's funeral oration a close race for second as they train in the art of speech, which teaches poise, ease, and self-confidence.

What a bunch of Frenchmen . . .

RICHARD C. HOWLETT dislikes the fact that there are only 24 hours in a day. He teaches sociology because he likes the subject which enables him to keep in touch with the seinors and their points of view. His hobbies are reading and sports, and his pet peeve is students who don't work up to capacity. Mr. Howlett has earned an A.B. degree from Kalamazoo College and an M.A. from Michigan State University.

From Detroit came DONALD JULIEN who teaches World History, American History, and American Government. His hobby is sports and he has no pet peeve. He likes teaching and holds an A.B. degree from Eastern Michigan College and an M.A. from the University of Michigan.

JAMES RAY RICHARDS teaches American and World History because to him it is the most interesting academic field. He came from Pleasantville, Indiana. Mr. Richards likes to read and travel. His pep peeve is students who have not prepared their assignments. He likes tropical weather and dislikes Michigan winters. Mr. Richards holds a B.S. degree from Indiana State University and Indiana Teachers College.

SOCIAL SCIENCE

We the people of the United States . . . are familiar words to the students in our Social Science Department. In Junior High Social Science courses they start their study of our country. Then in high school they take World History, American History, and American Government in which they continue their study of our country and include the rest of the world. The seniors also have Sociology in which they learn to live a better, richer life.

A social science teacher, FRANK J. RADOWSKI, is from Wakefield, Michigan. His hobbies are hunting and fishing. His pet peeve is being asked the same questions every year. He likes to eat and dislikes not eating. Mr. Radowski holds an A.B. degree from New Mexico A and MA.

Okay, now this is the United States.

Here is the person who is very familiar in the school library—none other than NELLIE STEPHENS. She has taught for 30 years, 14 here at our Stockbridge. Her hobbies are reading and listening to good music. People who talk behind their hands is the pet peeve of Miss Stephens. She likes being alive and being able to work. Miss Stephens holds a B.S. degree from Eastern Michigan College and she expects to get her Master of Science degree next summer.

MARION RAMSDELL teaches elementary and junior high music because she likes it. Mrs. Ramsdell has taught in the Stockbridge system for many years. In her leisure time, she reads, enjoys music, and relaxes at the family cottage up north. Excessive and unnecessary noise is her pet peeve. She has no dislikes and she likes her family and home. Mrs. Ramsdell holds a B.S. degree from Eastern Michigan College and is doing graduate work there.

RONALD FILLMORE teaches art because he likes to see creativity. His hobbies are reading and painting and his pet peeve is sassy students. He likes people and has no dislikes. Mr. Fillmore holds a B.S. degree from Eastern Michigan College.

ART AND MUSIC

Our curriculum offers more than the three "R's" . . . students who are interested in Music or Art have their chance too. There is Band where the students learn music appreciation as well as skill in playing their instruments. Do re mi's are frequently heard when the Girls' Glee Club, Boys' Chorus, or Junior High Chorus are practicing. Other students would rather express themselves in Art.

The future Grandma Moses?

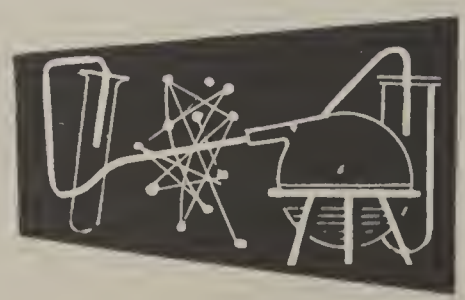
KEITH LAWRENCE SAXTON teaches instrumental music. He likes to be with people. His hobbies are hunting and fishing, and his pet peeve is Michigan State University. Most of all, Mr. Saxton likes a good television program and least of all undependable people. Mr. Saxton holds a Bachelor and Master of Music Education from University of Michigan.

SHIRLEY SMALL who teaches biology, chemistry, and general science comes originally from Saginaw and has spent two years in Costa Rica and Montevideo, Uruguay. Her hobbies are experimental cooking, music, and travel. Her pet peeve is laziness. She likes to travel and meet new people. She dislikes poor sportsmanship. Miss Small holds an A.B. from Asbury College in Wilmore, Kentucky.

WILLIAM ALFRED ESAU teaches mathematics and science because they are the best subjects of mental challenge. His hobbies are hunting, fishing, traveling, collecting glassware, and building model railroads. His pet peeve is too many taxes which cause him financial embarrassment. He likes scenery and dislikes nothing. Mr. Esau holds an A.B. from the University of South Dakota, an M.A. from the Western Michigan, and a Senior Electrical Engineer degree from the University of Minnesota.

BESSIE MITCHELL teaches junior high math. Her pet peeve is to hear, "I can't." She likes to attend basketball games and church. She dislikes driving on ice. Her hobbies are reading, sewing, and fishing. Mrs. Mitchell holds a B.S. degree from Eastern Michigan College and a State Life from Western Michigan Teacher's College.

Hmmmmmm . . . are you sure that's Physics?



Help . . . the Chemistry class is at it again.

"Look Out" the sparks are going to be flying.

SCIENCE AND MATH

"Double, double, toil and trouble; fire burn and caldron bubble." Science students cook up wierd, sometimes very malodorous, concoctions with their new lab equipment. Students were surprised when they returned from the Christmas holidays to find this new equipment. There are a total of fifteen new laboratory tables, each provides two students with experimental, recitation and study facilities. Water, gas, and electricity are available at each table. In Junior High, students receive General Science which provides them with a general background in science. If science interests them they can advance to biology, chemistry, and physics.

"Think" is the watchword of Math students as they advance from simple mathematics in Junior High, up through factoring, equations, square roots, and slide rules. General Math, Algebra, Plane Geometry, Advanced Algebra, and Trigonometry are all taught here in high school.

Hey, that's our satellite!

Let's get those slide rules working.

"I enjoy working with young people as well as doing things for people. Agriculture is basic to all prosperity," says DONOVAN G. CRONKHITE, who believes that in lieu of positive thinking one cannot entertain pet peeves. Mr. Cronkhite holds a B.S. degree from Michigan State in Agriculture Education. He also holds a M.S. degree from Michigan State University in School Administration.

ROBERT WOODMAN, a native of Jackson, teaches shop because that is what he is best equipped to do. His hobbies are fishing and hunting. He likes working (his pet peeve is lazy people). Mr. Woodman holds a B.S. degree from Western Michigan, University.

ROBERT BARRY teaches drivers' training because he likes to live dangerously. He has no pet peeve, but dislikes superlatives. Mr. Barry holds an A.B. degree from Michigan State University.

VOCATIONAL

If you are interested in becoming a secretary . . . homemaker . . . farmer . . . or just a better driver . . . the vocational department is for you. When you hear "7-6-35 . . ." it's not football signals; it's a bookkeeping student still in a daze from writing checks, filing tax forms, and keeping accounts. Secretarial work demands shorthand and typing. Home Economics students learn the basic homemaking skills early in the course. They then advance to more interesting subjects. In agriculture the boys learn all the phases of the farming picture. While in shop they start with wood and metal working, advance through farm shop and mechanical drawing.

Well, boys, it's this way . . .

Watch that . . . angle.

IRMA CRONKHITE holds a B.S. degree from Eastern Michigan College. She now teaches typing and junior business. Her pet peeve is people who won't work up to capacity to achieve, and her hobbies are collecting things of historic significance, music, and reading. She especially likes music and dislikes poor citizenships.

Irma L. Cronkhite

MARY SUSAN NEBEL who teaches shorthand, bookkeeping, typing, and junior business comes from Michigan's upper peninsula—Munishing to be exact. She likes getting up in the morning, and her pet peeve is people who do not work up to capacity. Miss Nebel holds a B.S. degree in Accounting from Ferris Institute.

To Ralph and his typing [illegible] Best wishes in the coming years Mary Nebel

A native of Saint Joseph, Michigan, MILDRED CLARK is Stockbridge's homemaking teacher. She likes to keep busy and dislikes winter driving. She decorates cakes in her spare time. No thirty-six hour days is her pet peeve. Mrs. Clark holds a B.S. degree from Michigan State University.

"Dishes" . . . (enough said).

"Another day . . . another timed writing."

"Watch out," here comes the Driver Education car.

JOCILLE SMITH came back to her home town to teach girls' physical education. Her hobbies are sports, traveling, and reading. Her pet peeve is people who make up excuses. She likes food and dislikes cold weather. Miss Smith holds a B.S. degree from Michigan State University.

ROBERT LEIGHTON BOYD from Detroit teaches gym, general science, and is varsity football coach. His hobby is sports and his pet peeve is laziness. He likes good school spirit, but dislikes students who say, "I don't know what the assignment is." Mr. Boyd holds a B.S. degree from Eastern Michigan College.

HAROLD DAVID COLLINS teaches mathematics and algebra because he feels they are interesting and is assistant coach because he likes to be with students. He has no particular hobby, but his pet peeve is "smarties." He likes the wonderful cooperation and interest from students. He holds a B.S. degree from Eastern Michigan College.

PHYSICAL EDUCATION

Loud groans are heard from the gymnasium as the girls go through daily exercises finding muscles they never dreamed they had. The boys look at it differently, as they build up their Mr. America muscles. Both boys and girls enjoy basketball, softball, tumbling, volleyball, badminton, and various other activities.

ROBERT PRUDON who came from Chicago, teaches Life Adjustment, speech, physical education, and athletics because he feels that he can contribute to society by doing that kind of work. His pet peeve is capable students that do not study. He likes steak and cooperative students. Mr. Prudon holds an A.B. degree from Kalamazoo College and M.A. from University of Michigan.

WOW . . . what a man!

Here we are Seniors, just about to graduate! When we hear our names called at graduation, we'll be sad at leaving Stockbridge High and the friends we have made. But we'll still have memories. Remember our Sadie Hawkins dance, the times we froze selling at football games, the scrap drive, how we slaved to make hits of our Junior and Senior plays? Remember our J-Hop, "Harbor Lights," one of the most beautiful we'd ever seen? Remember those Saturday morning bake sales? Although each day has been filled with many responsibilities of being a Senior, we've enjoyed every moment of it. We are leaving Stockbridge High with winning teams, too, but most of all, we are leaving with the belief that we have done our best to make ours one of the best Senior classes ever to graduate.

CLASS MOTTO: *"It is my duty; and I will."*

CLASS COLORS: Light green and white.

CLASS FLOWER: Yellow rose.

"Down to Earth" was a comedy fantasy in three acts, by Bettye Knapp. It was about two angels sent to earth to pick up two elderly souls. Their job is complicated by a would-be angel who has a strange power of making people fall in love. As the story unfolded, it tells the hilarious time they have trying to get the souls to heaven.

The first project of the Junior Class of 1957-1958 was choosing their class colors which are blue and white.

Next they chose a queen for homecoming and constructed a float with the theme of "Autumn Leaves." Peg Carpenter was chosen queen and her escort was Darl Broesamle. Their float was very beautiful.

They received their class rings in October and were very pleased with them.

During the first part of school the Juniors sold stationery which helped bring in some money.

They sold refreshments at the Okemos, Haslett, and Leslie basketball games and also held dime dances afterwards.

The Junior Play, "Our Hearts Were Young and Gay," was a great success as was their All-High and the J-Hop.

They had one of the most enjoyable years that they have ever had at Stockbridge Community Schools.

The Sophomore Class got off to an exciting year by electing a queen to represent their class at homecoming. Joan Anderson was chosen to be queen. Her escort was Kellie Carpenter. The first main project which they completed was the construction of a float for the homecoming parade. They chose "Panther Kingdom" as their theme and designed a red and white scene consisting of a castle tower surrounded by a garden of flowers. Other activities included selling at games, sponsoring a dime dance and an All-Hi.

The Sophomores hope that they'll be together through the coming years.

The Freshman Class had several activities during this year. They sold at two basketball games at which they were very fortunate to make some money to put into their treasury.

They had a very lovely float at the Homecoming Game and were very proud of their queen, Shirley Schreer.

They elected their officers at their first class meeting. They were: President, Marcia Gillmore; Vice President, Frank Spadafore; Secretary, Betty Beauchamp; Treasurer, Roger Musbach; Student Council, Ray Knott and Larry Porzsolt. Their advisors were Miss Ambrose and Mr. Richards.

Their year was nicely rounded out with a very successful All-High in the spring.

A TRULY GREAT YEAR!

The Eighth Grade had one of the most exciting years that they have ever had in their school days.

They had a Candy Carnival in which each student brought homemade fudge and candy to sell at school.

They had two very successful dances held with the Seventh Grade. Mr. Conrad Eichhorn was the caller for the square dances, which made these parties a real success.

Their class officers were: President, Eva Streets; Vice President, Vernon Hoard: Secretary, Axel Camp; Treasurer, Edwin Ramsdell; Student Council, Luther Salyer. Their Advisors were Mrs. O'Brien and Mr. Woodman.

It was a great year for all and they hope to be together throughout High School.

The Seventh Grade was divided into four sections at the beginning of the school year. The school program for this year enabled all of the students to take art, music, and physical education.

They elected their officers as the first thing in their class meeting. The following people were elected: President, Tom Taylor; Vice President, David Sweet; Secretary, Doug Mills; Trasurer, Kim Mitteer; and their Student Council representative was Norm Hannewald. Their Advisors were Mrs. Cassidy and Mr. Barry.

The most exciting activities of the year were the two parties which were held together with the Eighth Grade.

They are all very proud of their basketball team. They have shown that they have a lot of future before them and we are sure that they will turn into some real fine players.

The Senior Band took part in football half-time activities, played in the annual Christmas Concert, entered the District Solo-Ensemble contest and the District Band Contest. The year was completed by their performance in a Spring Concert. The attitude and spirit of band members were very good this year and by next year should show a great deal of improvement.

The Junior Band serves as a training band for the Senior Band. Although this is a small group they work very hard and many of the members will enter Senior Band next year. Several members entered the District Solo-Ensemble Contest. The band took part in the Spring Concert.

Your school government operated under the efficient leadership of Tony Jarrell. They sponsored a used toy drive at Christmas time to benefit needy children in the area. The drive was successful. The council headed an effective March of Dimes, too.

Purchasing "Student Guide" posters: arranging the entire Homecoming events, from parade to dance: improving hallway situations: acting as agent for improving school-public relations: sponsoring a Talent Show, were the other activities carried out by the council.

Seventeen students volunteered to serve as student librarians in our library this year. These people were assigned one period a day when they assisted in the library. Each one took his turn at the charging desk where books are signed out or returned by the students. Other duties they performed included helping with the mail, returning books to the shelves and shelf reading, filing, helping to prepare books for the shelves, typing, and performing household duties. These students did a great deal to keep the library attractive and running smoothly.

"The Panther Roars," a student publication, is published by the Journalism Class the second and fourth week of every month. The staff changes every six weeks thereby giving experience on several different jobs to class members. The staff attempts to cover all school news, to see that the paper goes into as many homes as possible and to foster school spirit and good public relations. Approximately 400 copies are sold each time. The paper belongs to the M.I.P.A. and is a distributor for "Scholastic Roto."

FUTURE FARMERS OF AMERICA

The Stockbridge F.F.A. has carried on many activities the past year. Five Honorary Chapter members were conferred the Honor of Chapter Farmer. Mr. Howlett, High School Principal; Mr. Woodman, Farm Shop teacher, Arnold Seigel, a young farmer, Fred Barth (posthumously), Father of State Farmer Wm. Barth and Mr. Cronkhite, Chapter Advisor. Mr. Cronkhite also received the State Farmer Honorary Degree at the 1957 F.F.A. State Convention. One of the highlights of the year was the chicken barbecue. The mothers and members served 400 charcoal broiled halves of chicken.

Stockbridge received a Silver Award in the Broiler Contest, the display at the State Fair and the Chapter display at Farmers' Week. Members of the Farm Forum Team that competed at the Regional Contest at Owosso, 1958 were: Tom Heeney, Chairman, Lee Clark, Pat Kelly, Robert Shepard, Larry Wild and Donald McVay. The District Contests were held at Mason. Wm. Donohue spoke on "Research, the Future of Tomorrow." The Parliamentary Procedure Team was composed of, Doug Wilson, Chairman, Richard Lantis, Joe Taylor, and Marvin Shevrovich.

Three Vocational Agriculture Classes have formed Co-operatives and are raising swine as a co-operative project.

Many summer activities are being planned of which one is a two day canoe trip down the Au-Sable River from Roscommon.

DEBATE

Our team was confronted with the proposition, "Resolved that direct United States economic aid to individual countries should be limited to technical assistance and disaster relief." A challenging topic which resulted in a better understanding of our national economy and the problems of those countries looking to America for assistance.

Future Homemakers of America is the national organization for girls studying homemaking in the high schools of the United States.

Each year members of the local chapter set up a program of work which helps them achieve F.H.A. purposes. Our local chapter's program of work included working for Junior Degree, money-making projects, and community improvement projects.

As usual, the Future Teacher Group seems to be the smallest club in the school. We have carried on with a very capable president, Helen Stanfield, assisted by D. Bauer, J. Stanfield, and C. We hope that even though there are many too busy to attend meetings that there will also be more graduated who attend college and pursue teaching as a career.

The Club organized this year with Dick Ludtke, President; Dave Schuette, Vice President; Arnold Carpenter, Treasurer; and Pat Long, Secretary. The proceeds of their projects are to go to the Athletic Department.

They aided the Cheerleaders with their fine work. They also helped keep order at the basketball games.

Many members of the club ordered jackets. Another project was selling pins to the student body. Mr. Boyd, football coach, was the advisor.

The Panthers ended their 1957 season with a perfect record of 8 victories and 0 losses. It was the first perfect season in 30 years at Stockbridge. Fred Mills and Dave Schuette were chosen as Co-Captains of the team and went on to lead the team and also become Honorary Captain and Most Valuable Player respectively.

The Panthers opened up the season with a bang as they held their first three opponents scoreless. They were then scored upon by Okemos. The next week the Panthers traveled to Haslett and won in the final 4 minutes on a touchdown which ended a 70-yard drive. They then bumped heads with three other opponents but were able to come out on top of these contests victorious. The perfect season gave Stockbridge High the Ingham County Championship. The season ended in fine fashion at a marveluos banquet given by the P.T.A.

VARSITY BASKETBALL

Left to right: Bob Collins, Fred Mills, Paul Spadafore, Pat Long, Tom Bumpus, John Mason, Coach Bob Prudon, Gary Cornish, Bob Young, Matt Hensley, Dick Ludtke, Arnold Carpenter, Don McArthur, Managers, Watson, Mills.

At the close of the 1957-58 basketball season the Stockbridge Panthers held two championships, the Ingham County League and State District. They won the District play-off by defeating Manchester 67-54. When the Panthers met a fired-up Hudson team at the regional, the Panthers bowed in defeat 54-45.

The record for the year was 16-4. The Panthers lost to Holt, Okemos, Haslett, and Hudson in hard-fought games. Leading team scorer was Paul Spadafore who made a total of 296. Paul was chosen most valuable player by his teammates. He also was named on the All-League Team and chosen as honorable mention All-State. Fred Mills was chosen Honorary Captain by his teammates. Gary Cornish and John Mason received honorable mention All-League.

School spirit, sparked by the Cheerleaders ran high all season and contributed to the Panthers' success. The season was ended in fine fashion when at the regionals the Panther supporters were cheering to their capacity when the team went down in defeat. At the last seconds of play the cry "We're from Stockbridge and couldn't be prouder" could be heard echoing and re-echoing from the walls of the fieldhouse.

The school congratulates Coach Prudon and the team.

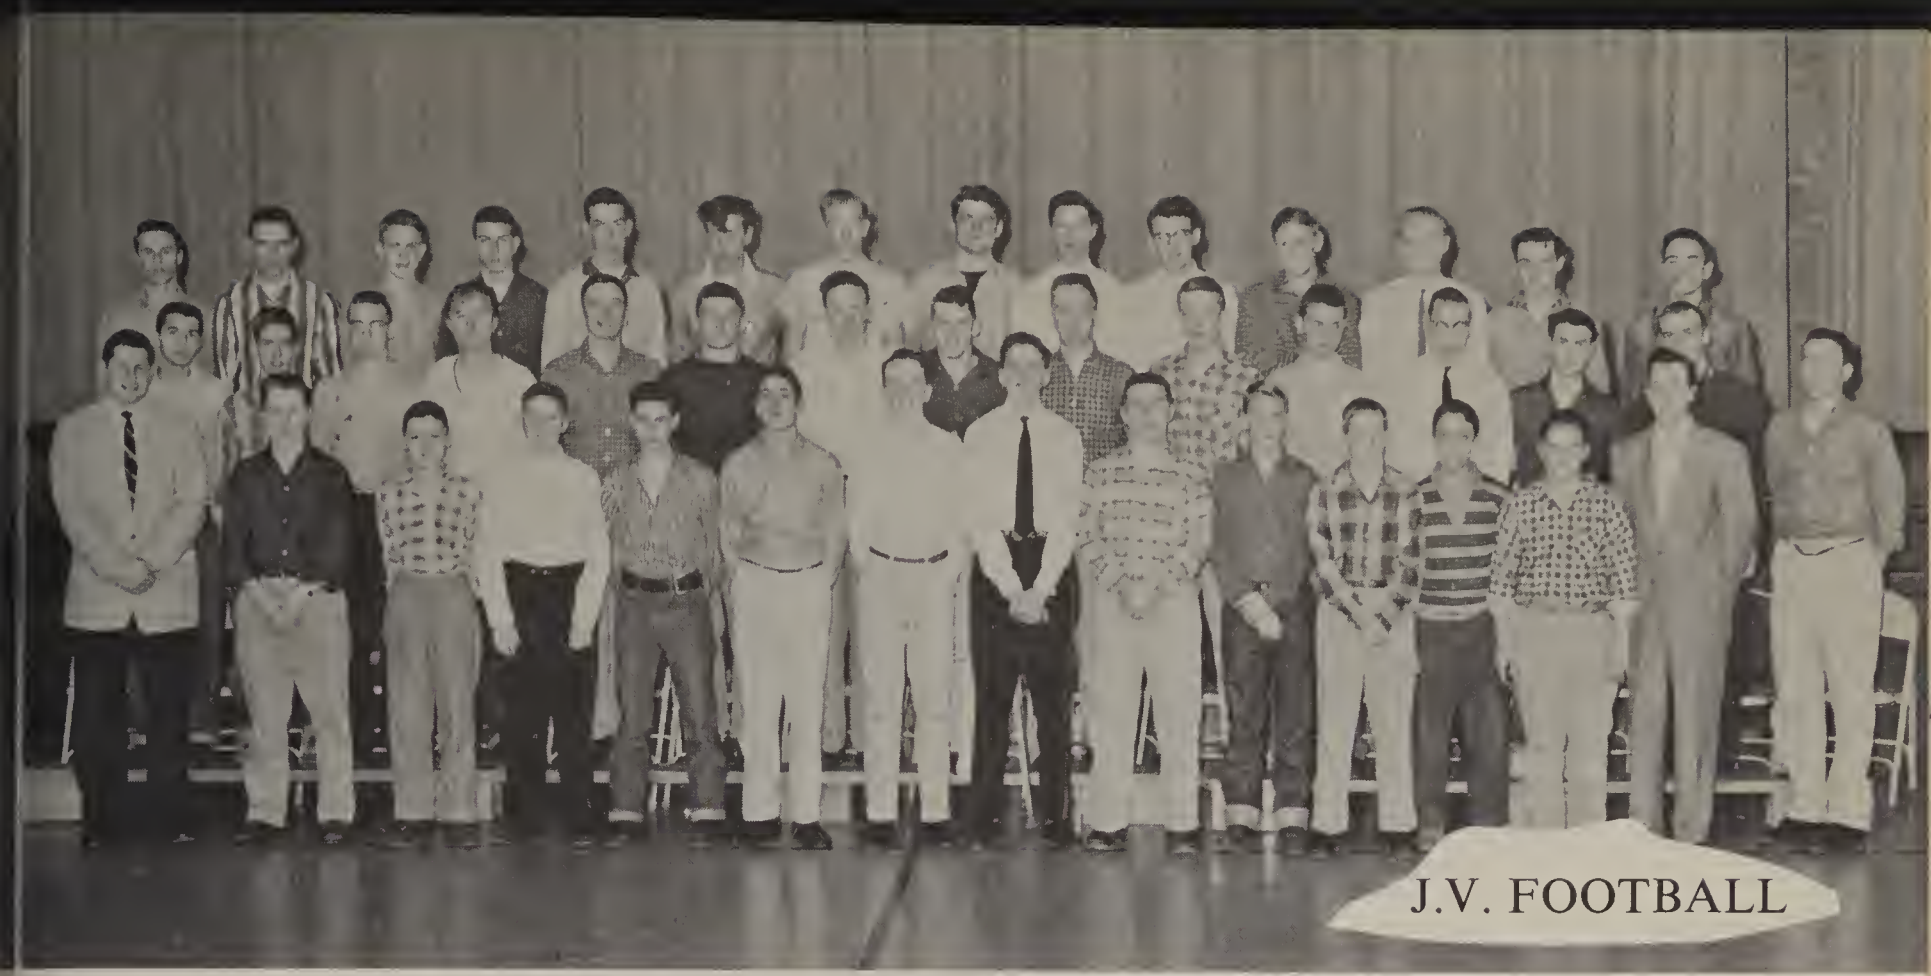
Left to right: Syreta Dixon, Sandra Stoddard, Sherii Wisman, Jean Burgess, Vonetta Marr, Fran Beckwith. Hey! Hey! What do you say? S.H.S. cheerleaders lead the way!

Peppy and alert cheerleaders certainly do lead the way toward victories at S.H.S. Their songs and yells build up Panther spirit at football and basketball games, and their stunts entertain students at the pep rallies. The cheerleaders also lead the way in plastering the school walls with signs on game days.

Many thanks to the cheerleaders for their time and effort. They have helped to boost S.H.S. school spirit to an all-time high!

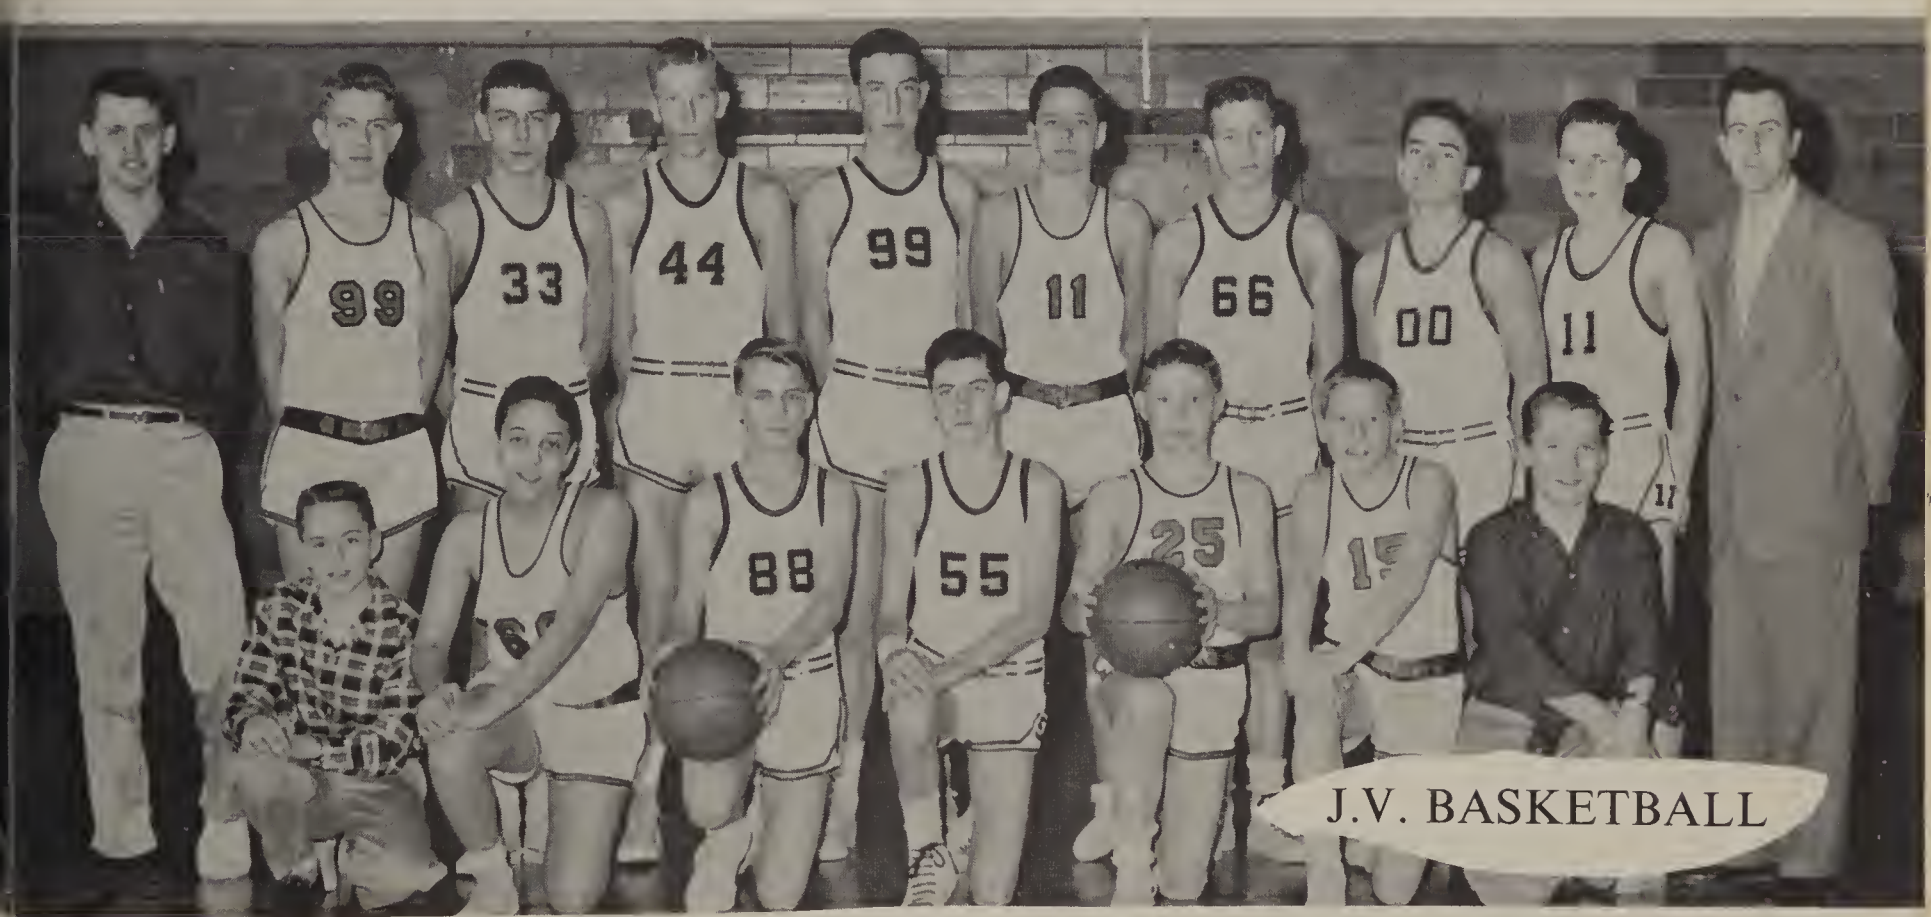
L. Carpenter, M. Ward, S. Cobb, S. Schreer, J. Hardt, S. Ulanowicz.



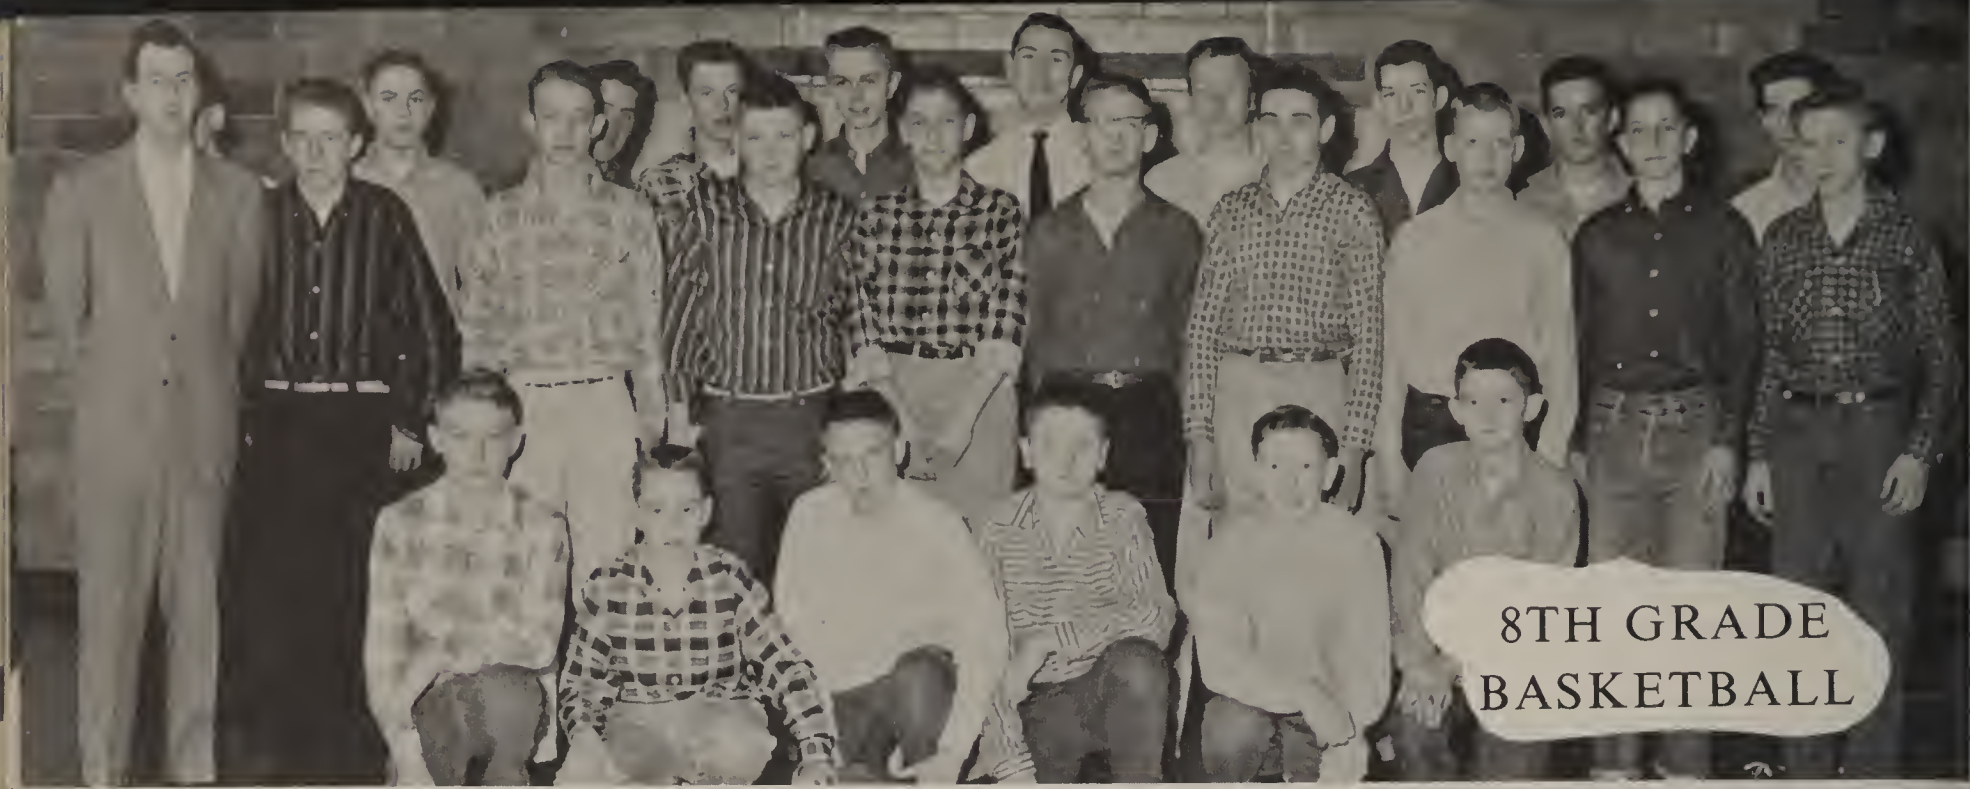
First row, left to right: Coach Boyd, Manager D. Mills, C. Crist, J. Kunzelman, W. Moeckel, B. Rowland, R. Knott, D. Darlington, D. Johnson, R. Howlett, B. Collins, F. Spadafore, Manager T. Collins, Coach Julien, J. Taylor. *Second row:* K. Carpenter, P. Weitlauf, K. Stoffer, E. Broesamle, B. Esch, D. Bristow, A. Otto, J. O'Brien, K. Grosshans, G. Sweet, G. Matsen, N. Spencer, P. Silveus, B. Hannewald. *Third row:* M. Moffat, G. Gee, J. Mitteer, L. Porzsolt, R. Gladstone, J. Murray, D. Arnett, W. Meyers, J. Reilly, D. Ransdell, D. Schubert, B. Camburn, F. Machnik, J. Runciman.

The JV's had a very successful season this year. They not only came out a winning group but also gained experience which will be a great help to them as they move up to the Varsity in the years to come.

On these boys will rest the full load of Sports at S.H.S. in the future.



First row: Eddie Watson, Manager; F. Spadafore, R. Howlett, T. Barnard, J. Kunzelman, B. Collins, Doug Mills, Manager. *Second row:* J. O'Brien, J. Mitteer, L. Porzsolt, D. Arnett, R. Gladstone, D. Darlington, R. Arnett, J. Runciman, D. Rose, Coach Don Julien.



Left to right: C. Oakley, E. Watson, J. Beauchamp, K. Otto, D. Hegge, K. Sharland. *Second row:* Coach Julien, P. Minix, F. Wilson, M. Harvey, D. Jacobs, C. Grosvenor, G. Gauss, E. Howlett, D. Dysert, J. Ryba. *Third row:* T. O'Brien, J. Sweet, B. Faber, L. Owens, B. Bumpus, J. Bennett, L. Salyers, J. Roberts, J. McGee, D. Bauer.

BASEBALL AND TRACK

Left to right: A. Carpenter, F. Mills, D. McArthur, B. Barber, D. Wilson, B. Collins, P. Spadafore. *Second row:* Coach Prudon, J. Wilkerson, N. Spencer, F. Lee, G. Cornish, J. Mason, D. Ludtke, J. Taylor, P. Long, R. Ransdell.

Stockbridge Baseball Team won its first league championship in a game that went 12 innings with Dansville to the tune of 5-4. The first game was a no-hitter pitched by Paul Spadafore with Leslie 9-3. Leslie scored 3 runs on errors. Don McArthur was team captain and Paul Spadafore Most Valuable Player.

The Stockbridge Track Team did not compile such an impressive record this year but they showed much promise of good things to come in the future. They won 3 of 4 meets which they competed in but they were able to place only 6th in the very rough competition at the County Meet. Several members of the team competed in the Regional Meet where Dave Schuette placed 2nd.

Left to right: D. Wilson, B. Carley, D. Carley, J. Love, D. Ellsworth, E. Grumelot, D. Lantis, M. Sweet, D. Wycoff, G. Smith, P. Fredenburg, A. Carpenter, F. Mills, D. Senior Representative, Vivian Liberski

Our Queen

The Coronation

Sharon Collins crowns Sherii

Cheering the team is Fran B.. Vonnetta H. and our queen, Sherri W.

Peg C., Joann A., Sherii W., Vivian L., Shirley S.
The day for enrolling was almost here;
Back to school, for another year.
We'll have these moments to remember.
Autumn frost, the cheering crowds;
Of our homecoming queen we were proud.

Summer turns to winter;
And the present disappears.
The laughter we were glad
to share;
Will echo through the air

When other nights and other days
May find us gone our separate ways
We will have these Moments to Remember.

"What happened?"

"The Haunted High School"

Our class plays, the noisy fun;
The oscars we almost won.
We'll have these moments to remember.

"Oh! Richie, darling!"

"Look, Agnus!"

MEMORIES

SCHOOL SONG

Once again, here our schoolmates assemble
We fain would lift our hearts in song
To our high school, our dear Alma Mater
Let gladness the moments prolong.

We are proud of our lads and our lassies
Of honors won in days gone by
So here's a cheer for our old high school
For our old high School, our Stockbridge High.

Here's to our classes, heres to our lasses
Here's to the lads they adore
Seniors so mighty, Juniors so fighty
Freshies and Sophomores.

Let mirth and gladness vanish all sadness
And as the days go by
You'll find us ready, ready and-steady
Boosting for Stockbridge High.
